

Kosmos Energy Names Joseph P. Landy to Board of Directors

05/11/12 15:00 GMT

DALLAS--(BUSINESS WIRE)--May. 11, 2012-- [Kosmos Energy](#) (NYSE: KOS) announced that Joseph P. Landy has been elected to its Board of Directors following the Company's 2012 Annual General Meeting held today. Landy's Board membership is effective immediately.

Landy is co-president of Warburg Pincus and has been with the firm since 1985. He is a seasoned executive whose responsibilities at Warburg Pincus include strategy development, oversight of investment policy and decisions, leadership of the firm's executive management committee and coordination of limited partner communications. Landy also serves as a director of Bausch + Lomb and AmRest Holdings SE. He holds a bachelor of science degree in economics from The Wharton School of the University of Pennsylvania and a master's degree in business administration from the New York University Stern School of Business.

John R. Kemp III, Chairman of the Board, commented, "We are delighted to have Joe join Kosmos' Board of Directors. His in-depth executive leadership experience will serve us immeasurably."

Kosmos also announced that Board member Jeffrey A. Harris has chosen not to stand for re-election so he can pursue other business opportunities. Harris has served as a Kosmos Director since 2005.

Kemp went on to say, "Jeffrey has been an integral member of our Board, and we are grateful for his significant contributions to Kosmos. We wish Jeffrey every success in his future endeavors."

About Kosmos Energy

Kosmos Energy is a leading independent oil and gas exploration and production company focused on frontier and emerging areas in Africa and South America. The Company's asset portfolio includes existing production, major discoveries and exploration prospects offshore Ghana, as well as exploration licenses with significant hydrocarbon potential offshore Mauritania, Morocco and Suriname and onshore Cameroon. Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical facts, included in this press release that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future are forward-looking statements. The Company's estimates and forward-looking statements are mainly based on its current expectations and estimates of future events and trends, which affect or may affect its businesses and operations. Although the Company believes that these estimates and forward-looking statements are based upon reasonable assumptions, they are subject to several risks and uncertainties and are made in light of information currently available to the Company. When used in this press release, the words "anticipate," "believe," "intend," "expect," "plan," "will" or other similar words are intended to identify forward-looking statements. Such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of the Company, which may cause actual results to differ materially from those implied or expressed by the forward-looking statements. Further information on such assumptions, risks and uncertainties is available in the Company's Securities and Exchange Commission ("SEC") filings. The Company's SEC filings are available on the Company's website at www.kosmosenergy.com. Kosmos undertakes no obligation and does not intend to update or correct these forward-looking statements to reflect events or circumstances occurring after the date of this press release, except as required by applicable law. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this press release. All forward-looking statements are qualified in their entirety by this cautionary statement.
