In connection with Brian F. Maxted's previously announced appointment as Chief Exploration Officer of Kosmos Energy Ltd. Pursuant to the Assignment Agreement, Mr. Maxted will remain employed with the Employer but will be assigned to the Employer's UK Branch for a period not to exceed five years. During the term of the assignment, Mr. Maxted's primary work location will be Surrey, England, but he will spend up to two weeks per month in the Employer's Dallas, Texas office, as required and agreed with him from time to time.

The Assignment Agreement provides Mr. Maxted with the following compensation and benefits:

- An annual base salary of \$653,328, subject to increase in the sole discretion of the board of directors or a committee thereof.
- An annual bonus opportunity targeted at 100% of the base salary, subject to increase in the sole discretion of the board of directors or a committee thereof.
- An initial award of service-vesting restricted shares granted no later than June 30, 2014, with a grant date value of not less than \$2,000,000. Other long-term incentive awards, if any, granted during the term of the assignment will be determined in the sole discretion of the board of directors or a committee thereof.

The Employer will ensure that the health and dental coverage for him and his eligible family members applies both in the United States and the United Kingdom.
